## He's Alive!

The greatest act of love the world has ever witnessed is when Jesus gave His life on a cross to pay every sin debt for every person who has ever lived, is living, and who will ever live on this earth. But it doesn't end there, Jesus got up from the dead and He is alive! What a blessing we have in knowing the Living One who paid it all!

Please take time this month to pray for many who have yet to personally meet and give their life to Jesus. May they realize their sin debt has been paid in full and salvation awaits those who trust in the risen Savior!
